WALL, Magistrate Judge:

Before the court is a motion by the plaintiff to compel responses to a subpoena served on non-party Paritz & Company, P.A., in its continuing effort to collect a judgment entered against the defendant. Docket Entry [15]. The plaintiff served Paritz & Company with the motion on March 30, 2007, and filed the motion with the court on April 17, 2007, but Paritz has submitted no opposition. The plaintiff's papers in support of the motion establish the reasonableness of the subpoena and the efforts the plaintiff engaged in to try to secure a response by Paritz. Paritz has nonetheless refused to produce any of the documents demanded or a deponent. *See Strassberg Aff.* ¶2.

The motion is granted both as unopposed and on the merits, and Paritz & Company is ordered to comply with the subpoena within ten days of the date of this order. Compliance will require production of the documents demanded and the appearance of Paritz for a deposition through Brian Serotta and, if necessary, another representative of the firm. The court declines to award the costs of the motion.
